

Content Producer

What You'll Do ✨

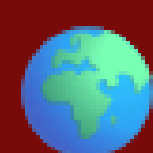

- Co-create articles with professionals, turning real-world expertise into clear, student-friendly content
- Host and record podcast interviews to explore how experts think and work
- Help make complex ideas simple and accessible for learners everywhere

Time Commitment 🕒

- Produce at least 5 articles or podcast episodes per year
- Attend regular team meetings and check-ins

Why Become an Unboxed Content Producer? 🚀

- Explore your passions by diving deeper into topics you care about
- Build core skills by making educational content with industry-level depth
- Work with experienced experts across diverse fields
- Make an impact by expanding access to easy-to-understand learning resources
- To share your areas of knowledge with like-minded students

Who This Is For

Curious, driven students who love learning, asking questions, and sharing knowledge with others.
